OBITUARY.

Ralph Reese.

Announcement has been received here
of the death at Craftonville, Cal., of
Ralph Reese, for many years a resi-
dent of the West Side. Mr. Reese left
Danielson for California several years
ago to make his home with his son. He
suffered a shock recently and died on
Friday of last week.

Mr. Reese was born in Lancashire,
England, 75 years ago, and came to
this country in 1864. He lived in Con-
necticut many years, in Danielson from
1867 to 1902, when he went to Crafton-
ville to live with his son, William. Al-
though past the three score and ten
milestone in life, he was active to the
time he was stricken, a week ago last
Wednesday. He went to the barn to
feed the horses and was accompanied
by his granddaughter, who was with
him when he fell. After a short time
the aged gentleman, who was carried
to the house by a member of the fam-
ily, regained consciousness, but soon
lapsed into an unconscious state and
did not recover. He died at 2 o'clock
Friday morning.

There are five children, W. H. Reese,
Craftonville, Cal.; Thomas Reese, Ker-

ins, Cal.; John Reese, Danielson; Mrs.
May Sullivan and Miss Elizabeth Reese
of Hartford.

ing the mission services at the church
this week, will give place on Sunday
to the French speaking men of the parish.
All of the services this week have
been largely attended and there have
been a large number of communions.
The week after next a mission will be
given for the English-speaking mem-
bers of the parish.

Free Seeds Arrive.

Congressman E. W. Higgins of the
Third district has sent a large num-
ber of packages of seeds for free dis-
tribution in this section.

No Meeting Called.

It was expected that a meeting of
the directors of the Eastern Connec-
ticut league would be held in Danielson
on Sunday, but no call has been issued
and the meeting will probably go over
another week. The directors wish to
hasten this year to get ready for the
opening of the season, as the schedule
has not yet been made up and there are
rules to be made and regulations to be
agreed upon before the season's playing
begins.

Local Pickups.

There is to be a social in the vestry
of the Congregational church this (Fri-
day) evening, under the auspices of the

above zero in Danielson Thursday

socket on Thursday.

Postmaster C. A. Potter does not
intend to have burglars waste any more
time blowing his postoffice safe. He
has had a printed notice pasted on the
front telling what the contents are—
and they would not be tempting to a
real safe-breaker.

Thursday, attending the State Library
association.

Mr. and Mrs. William S. Brown are
entertaining Miss Madeline Noyes of
Thompson.

for this year. The amount is \$3,465.

ments for the construction of a two-
tenement house on Smith street and

Lectured on India.

Staff Captain McKenzie of the Salva-
tion Army gave a lecture on India,
where he has spent several years, at
the Methodist church, Thursday eve-
ning.

Wrestling Events.

There was a gathering of followers

of athletic events in the rooms of the
Canadian Athletic club Thursday eve-
ning, when a card of wrestling and
boxing exhibitions, mostly between local
boys, will be put on.

Want Train Restored.

Persons living in towns south of
Putnam along the Norwich branch of
the Midland division are interested in
the effort that is being made to have
a train restored that was taken off
about two years ago and which for-
merly left Putnam, southbound, just
before four in the afternoon. This
was a convenient train for residents
of this section, it being possible to
leave Boston at two o'clock and be
in Danielson a few minutes after four.
Since the train was taken off there
has been no southbound passenger ser-
vice on the steam road between Put-
nam and Norwich from 10:30 a. m. to
8 p. m. There has been no option but
the trolley line between those hours
and while good, that service is not
rapid enough to meet the requirements
of many busy men.

Installed Willimantic Officers.

District Deputy John J. McGarry and
District Warden Thomas P. Ryan, both
of Putnam, were in Willimantic on
Thursday evening to install the offi-
cers of the local lodge of the Order of
C. C. The visit was the first official
one that the district deputy has made
to that city since his appointment.

Repairing Roundhouse.

Carpenters have commenced mak-
ing repairs to the round house in the
railroad yards, which was badly dam-
aged by fire about two months ago,
and has been of little service since
that time. A new roof is being built
on the structure, and the damage by
the fire is to be generally obliterated.

K. of C. Consider Applications.

Several applications for membership
were presented at the regular meeting
of the local lodge of the K. of C. on
Thursday evening. Grand Knight M. M. Dwyer
and other members of the council are
striving to make this year one of the
most successful ones in the history
of the order in this city.

Inter-scholastic Baseball League.

It has been suggested that an inter-
scholastic baseball league be formed
among the high schools of Windham
county this summer. Five towns in
the county—Putnam, Thompson, Kill-
ingly, Windham, Plainfield—offer pos-
sibilities for a high school league and
arrangements could probably be made
to include deep interest in such an
organization. Each of the schools
could put a team in the field and as
the distance between towns is not great
the expense attached to traveling
ought not be heavy.

To Decide on Appropriations.

The members of the common council
will take up the matter of making
the appropriations for the various de-
partments of the city government for
the ensuing year at the regular monthly
meeting to be held next Tuesday
evening.

GUESTS FROM CHINA.

Rev. and Mrs. Beard Welcomed Back
After Eighteen Years.

The Ladies' Social circle of the Sec-
ond Congregational church held the
first of a series of socials in the parl-
ors of the church Wednesday eve-
ning, which proved a most enjoyable
gathering. Rev. and Mrs. Beard, the
honored guests of the evening, re-
ceived with Rev. and Mrs. F. D. Sargent.

A hearty welcome was given Mr.
and Mrs. Beard, who have returned to
this country, after spending fifteen
years in China. The following musical
program was pleasingly rendered:
Piano solo, Miss Maude Simpson;
selection by the choir; vocal solo,
Miss Helen Bradley; selection by the
choir; solo, Miss Bradley.

A Chinese song was given by three
children of Mr. and Mrs. Beard. Rev.
Mr. Beard gave a brief talk upon Mus-
ic in China, in which he stated that
all sacred music used in that country
was composed in countries outside of
China, the Chinese were never known
to compose sacred music, although
they do write the words which are
used in connection with music.

Mr. Beard's remarks closed the en-
tertaining programme. Frappe
wafers were served by the programme
committee, Mrs. P. W. Perry, Mrs. Car-
penter and Miss Bertha Sargent.

Mrs. C. L. Torrey and Mrs. S. M.
Wheeler, vice presidents of the So-
cial circle, were assisted by the mem-
bers of the board in looking after the
pleasure of the guests.

tives in New Britain.

the Congregational chapel.

Will Live in Car.

New York, New Haven and Hartford
railroad is living and will live for the
next month in a private parlor car in
the freight yard of the Greenwich sta-
tion.

Mr. Campbell goes to business over
the line every day and returns in the
afternoon or evening.

His reason for so living is that he
has bought the Woods place there, for-
merly the property of the late W. H. S.
Woods, who was president of the Bow-
ery Savings bank in New York, and he
wishes to be near the place to super-
vise its furnishing, etc. The place is

RETURNED FROM CHINA.

Rev. Willard L. Beard Will Take Up
Work in This Country.

Rev. Willard Beard, who for nearly
a dozen years has been connected with
either the missionary or the M. E. C.
work in China, but who lately ac-
cepted the position of home secretary
for the board of foreign missions, with
headquarters in New York city, arrived
in Stonington last Saturday on his
way to take up his new duties. Mr.
Beard and family came over on the
Asia from Shanghai and started at
once for the east. He expects to reach
Worcester today (Saturday), where he
will confer with his superior officers of
the board.

He will have charge of the eastern
division, comprising the New England
and the middle states as far west as
Ohio, and will make his headquarters
in New York city. The place is one of
honor and responsibility and carries
with it a great amount of work. Mr.
Beard's experience in the missionary
work will be of great help to him in his
new situation, and he was very highly
recommended for the position by those
who have watched his work in China.

He will visit with his parents, Mr.
and Mrs. O. G. Beard, of Shelton, before
assuming his new duties.

Mr. Bryan at Home.

One of our exchanges, referring to
the fact that Mr. Bryan was not af-
fected by the altitude when he climbed
an Andean peak, suggests that he
has become accustomed to being "up
in the air."—Jackson (Mass.) News.
